Congratulations on your purchase of a Two-in-One Electric Tibet Tech® Prayer Wheel. Over ten years of research and development went into the design of your Tibet Tech prayer wheel to ensure its reliable operation and spiritual blessings.

Your Two-in-One Electric Tibet Tech Prayer Wheel includes: an AC/DC switching adapter (including US and international plugs); a drive unit with on-off switch; a stack of 8-DVDs that contain 84,348,750,000 prayers; one DVD with 16,003,200,000 Medicine Buddha prayers; a brass post; a brass collar (for the Medicine Buddha DVD); and a crystal final top (used with both the 8-DVD stack and the Medicine Buddha DVD). The prayer wheel can be operated with either the stack of 8-DVDs that contain 84,348,750,000 prayers or with the DVD with 16,003,200,000 Medicine Buddha prayers.

Prayer Wheels: An Antidote to Fear & Negativity

Your Tibet Tech prayer wheel is a powerful spiritual anecdote to war, suffering, and negativity.

The new “modern” Tibet Tech prayer wheels are the first to use DVD optical disk prayer storage technology. The largest prayer wheel in Old Tibet contained 100,000,000 prayers printed on paper with hand-carved wood blocks. Tibet Tech™ Tibetan prayer wheels, created by Sakya Monastery of Tibetan Buddhism (www.sakya.org) in Seattle, Washington USA and Tibet Tech LLC, dwarf that, containing billions of prayers in the form of Sanskrit mantras. As the prayer wheels are spun clockwise, Tibetan Buddhists believe that they radiate peace, kindness, and relief from suffering for all beings.

Buddhist texts teach that mindfully turning a prayer wheel produces the same merit and benefits as having recited the number of prayers (mantras) inside the prayer wheel, multiplied by how many times the prayer wheel spins around. Each revolution of the 8-DVD Electric Table-top Tibet Tech prayer wheel releases over 84 billion prayers. Doing the math, if you recited one prayer per second, it would take approximately 2675 years to say 84 billion prayers! The 1-DVD (Medicine Buddha) Electric Table-top Tibet Tech prayer wheel releases over 16 billion healing prayers per revolution.

His Holiness Jigdal Dagchen Sakya Dorje Chang, one of the revered Tibetan Buddhist leaders, oversaw the design and construction of Tibet Tech prayer wheels. Sakya leaders hold a position third only to His Holiness the Dalai Lama in rank. All the DVDs used in Tibet Tech prayer wheels have been blessed and consecrated by a Sakya leader: H.H. Jigdal Dagchen Sakya, H.E. Avikrita Sakya, H.E. Asanga Sakya, or H.E. Dagmo Kusho Sakya. H.H. Jigdal Dagchen Sakya Dorje Chang has said that “as long as the Universe exists, the consecrated prayers will remain potent.” Each DVD displays the Sakya Monastery seal.
